

AHEC SCHOLARS PROGRAM

Join Tiburcio Vasquez Health Center's Scholars Program in Community Health

The AHEC Scholar program is a two year* longitudinal, interdisciplinary curriculum divided into three components: community-oriented education, clinical training and community-based hands-on activities that supplement students' existing health training programs.

Program Eligibility:

- Interested in Primary Care and Community Health
- Motivated to address health needs in vulnerable, disadvantaged communities
- Enrolled in a health professions program with clinical training requirements.

**One-year option for medical assistants and community health workers*

This publication was supported by the California AHEC with HRSA Grant #U77HP23071
